

O THOU CHERISHED

O THOU CHERISHED

Staring yet absently
Design on plate
Tiny faint-greenly
Near-roundly leaf

Ultimate sweetness
Touch delicate yon
There you looking
All-soul very same

IT rightback
Acha me
Intimate lovingly
Awesomely open

Shinning full moon
I-Thou looking
Glass rightback
Achame

Cherish recovers
Original word
Wraps cloaklessly
Veil verily subtle

Ere subtly weaves
Upward grace-giver
Exceeding full
Beaming light

Heretofore lethargic
Awareness duh?
First breath eye-ly
Openly spans

Darkness vaults
Light hop-the-step
Sweet newest born
Phenomenon velvetly

Secretly emotes
Ancient
First-liquored
Ritual bliss
